JANUARY

2001

Due to computer problems, there will be no "Presidents Say" or report from the secretary in this month's newsletter. Del reports that the information is locked up in his hard drive. He has it in the shop and should have it back soon. Reports from Del & Mary in the next issue.

DEAR FELLOW COLLECTORS

At the last convention, most of the members expressed some degree of dissatisfaction with the Philadelphia / Chicago room arrangements and the inconvenience of poor maintenance standards. I accepted the responsibility to look into making the arrangements for Atlanta this year. I'm happy to report that I feel I've located a decent place. After looking into several areas, I decided the Red Roof Inn will accommodate the needs of the members who attend this year's ANA meeting. Located in Smyrna, it is about one and a half miles from the Convention Center where our meetings will take place. The Red Roof Inn has two outside entrances to the rooms located in 2 buildings. The man I talked to said he would do his best to put IOWMC in rooms that are closer to one another.

The rates, listed below, will be as follows per night:

1 person	king bed	\$41.99
2 people	king bed	\$41.99-2 beds \$47.99
3 people	2 beds	\$51.99
4 people	2 beds	\$57.99

The reservations will be held until July 9, 2001 at this time. We have 10 rooms guaranteed as of now. More will be available if we can get our reservations in before the cut off date.

Red Roof Inn, Atlanta No. Windy Hill, 2200 Corporate Plaza, I-75 @ Windy Hill Exit 260, Smyrna, GA 30080 Phone # (770) 952-6966 Fax # (770) 952-1348

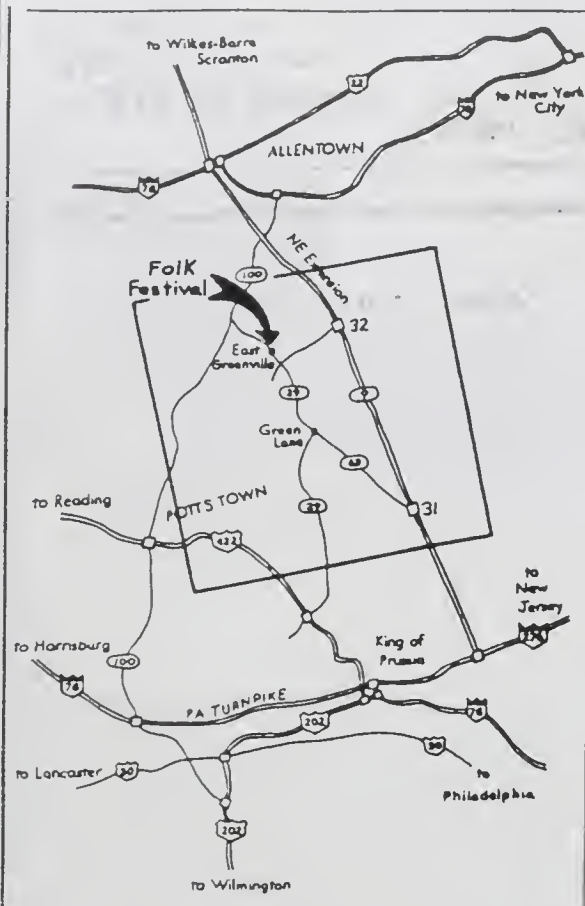

Reservations can be made at these numbers or through the Corporate office. Their phone number is 1-800-733-7663. A lady by the name of Katherine Harris has been most helpful.

The Last time I went through Georgia, the highway department was changing the exit numbers. Sometime in May or June, I will contact the AAA or the hotel to see if the exit number is the same. I will advise the membership in the June or July issue of the newsletter.

Above is a section of a map that shows the locations of both the hotel & the convention center. I hope this will be of help to everyone.

GOSCHENHOPPEN FOLK FESTIVAL

"Goschenhoppen", is one of the oldest existing Pennsylvania German areas in America. Many descendants of the early settlers of the eighteenth century live in communities within this area, located in Northern Montgomery County, in the Perkiomen Watershed. In 1963, historians were organized as an educational society, dedicated to learning about, preserving and teaching the local folk culture. Incorporated in 1965, the Goschenhoppen Historians are a non profit organization. Each year since 1967 the Historians have presented the Goschenhoppen Folk Festival. Demonstrations of Pennsylvania German folk culture from the 18th and 19th century are on display during the festival. You will find the cooking of traditional foods, crafts, homeskills, trades, music and folk itinerants. Additionally, a varied stage program is presented during the festival which is a blend of the scholarly and the entertaining, the serious and the humorous, the dialect and the English. Since 1976, the students from middle schools, some 150 to 180, join an apprentice program where the traditional ways of Goschenhoppen are passed down. Students learn trade skills in such things as blacksmith, tinsmith, cooper, cabinet maker and other vanishing secrets of these arts. The festival hosts over 600 volunteers that work together and their efforts have twice been acknowledged by their receiving the Valley Forge Freedom Foundations George Washington Medal. The festival's yearly events are displayed on a ten acre park and are held every August, the second Saturday and the Friday before. In 1967 a wooden nickel was issued and given to each

person who paid the admission at the gate to the festival grounds. This has been done at every festival they have held. After the fourteenth festival, a theme has been depicted on one side of each issue. Mrs. Claire Hoffman is the Membership Chairman/Treasurer for the Goschenhoppen Historians. She is also in charge of the wooden nickels issued for each festival. She reports that wooden nickels are available to club members that wish to add these to their collections. (1969, 1970, 1971 is limited, 1973 is limited, 1974, 1976, 1977 is limited, 1978, 1979, 1980, 1981, 1982, 1983, 1984, 1985, 1986, 1987, 1988, 1989, 1990, 1991, 1993, 1994, 1995, 1996, 1997, 1998, 1999 and 2000) Issues are \$1.00 each. Please use an SASE to insure that the woods you order are on hand and to find out what the cost of the woods will be. Then send the requested funds and enjoy adding these nice woods to your collection! Mail your want list to Mrs. Claire Hoffman, 172 Stone, Barto, PA 19504. Claire tells me that she only works one day per week in the office, so there will be a short delay in mailing out your orders.

CORRECTION FROM THE EDITOR

In the December issue, credit was given to Mr. Norm Boughton for the Richmond Hill Dairy Queen wood sent to Bob Brown. This issue was sent to Bob by Mr. Norm Belsten. Error on my part at time of copy.

Ted Wolverton was unable to mail out his Christmas cards because he has been very ill. About five weeks ago he had an aneurysm while at an airport. A nurse was near by and performed CPR on him and then he was taken to the hospital. He is house bound and not able to do much but eat and sleep. Ted reports that he is going stir crazy. Get well soon Ted!

FROM THE EDITOR'S DESK

Busy at work putting together leads on wood issues and material for stories. The internet has helped me to reduce the contact time on my end, but it does little to shorten the time required to receive an answer or have

material mailed back to me! I plan to place articles in Bunyan's Chips when my research finds things. I hope everyone had a nice holiday and is now ready to buy-swap-trade in the woods. Let's see more free ads being sent in for the newsletter and take a minute or two to answer members requests or questions. REMEMBER - Officials not listed or in error in the 8th edition are being requested. Have you started on this club project to help get it started? Clint List has me hooked on milk bottle caps! Now I can add this to my collecting hobbies. Still looking for festival and rodeo woods for my collection. Have some woods to trade that are official issues. Will buy if I need the wood. Send list to the editor.

WOW!!! Did Alpenrose ever get a lot of help in finding his way home. Five people sent information and it turned out he was from the Alpenrose Dairy Co. of Portland, Oregon. Information on Alpenrose is at the bottom of this article. Now I hope someone will come forward and help my family find their way home.

There are five of us and we were issued for the Greenacres Mustang's Roundup. I do not know if Greenacres is a town or perhaps just a ranch, but there are two listed in the Post Office Zip Code Directory. One for Florida and one for Washington. We come in five different denominations: 5c Black, 10c Red, 25c Green, 50c Blue and \$1.00 Brown, and each of us has a different reverse. If you have any information on us please send it to Bob at P. O. Box 124, Highspire, PA 17034. Can you help us to rejoin our peers? Thank you.

Al Zaika was the first to send me information on the Alpenrose Dairy Co. Brett Lyons has one similar to mine in purple but with Frontier spelled correctly and with a buffalo reverse. Norm Boughton sent me the article shown below. Del Cushing has one in Orange with an Indian reverse. Darrell Luedtke has at least 12 different and has listed them in DWMC's "Timber Lines". Below is the article sent to me by Norm Boughton. I have written to the address listed but have not received a reply. Thanks to everyone for their help to find a home for the lost wood.

One of Portland's curious combinations, the Alpenrose Dairy "campus" is home to a bicycle velodrome, softball fields, a quarter-midget race car track, and "Dairyville," a replica Western town. Besides producing dairy products, Alpenrose Dairy has been a longtime supporter of local sporting events. Numerous organizations use the facilities for their events, from the Little League Softball World Series to the EDS Track Cup, a major bicycle race series with stops all across the country.--Otis Rubottom

### WOODEN MONEY TERMINOLOGY

New members join the different wooden money organizations and we tend to forget that they have yet to become the experts in their collecting field and that of the hobby. Listed below is some of the terminology used in our hobby and generally accepted by most collectors in all wooden money clubs.

**Official Issue:** A wood issue that has been issued for an official function or event. Issues would cover such things as a centennial, festival, fair, rodeo or homecoming. A group representing the town, state, county, borough, etc. would have approved of the wood issue. A good official issue has the town or city, state, function, and date (including year) printed on it.

**Semi-official:** As stated above, except that it is issued by a private party or business. Most times their name is on the issue.

**Private Issue:** Issued by a person, church or business to promote a special event such as a wedding, birth, barmitvah, reunion or a special trip.

**Coin Club:** Woods issued by a coin club or other numismatic organization for a show or anniversary.

**Merchant Issues:** Woods issued by a merchant or company to promote business. The words "good for" or similar are printed along with the name (and generally the address) of the business. Discounts, exchange for something and collect for's are good examples.

**Christmas Issues:** These are both found in wooden nickels/dollars and flats. Issued at the time of the holiday, they are often traded for the same type of issue, or sold at a fair price to collectors of such.

**Maverick Issue:** Woods that are of an unknown origin. This is because the information was not printed on them. City, state and addresses are missing on the issues. Other mavericks are due to their being from such things as fast food, hotel, motel and other large corp. chains.

Collecting wooden money seems to cover a much larger area than it did some fifty years ago. While many collectors still put only "official issues" in their collections. Today's collector may go by state, design, type of shape, what is pictured on the issue, where the issue is from and any number of other reasons. Unlike coins, you can pick many different ways to collect and there is a good chance you will find that you are not alone in what you pick to collect!

### HAVE YOU PAID YOUR DUES?

If your dues are not paid by March 15th you will be dropped from the mailing list for Bunyan's Chips. Please send your annual dues of \$7.50 to Mary Cushing, P. O. Box 88984, Seattle, WA 98138-2984.

Please check your address mailing label to insure that your address is correct. If there is an error in any part, send a postcard with the correction to be made. Address corrections have to be requested three times each year as a bulk mailer by the Postal Service. Any differences in the mailing address will cause the return of your newsletter to the editor. It means a delay in you receiving your mail and the club has to pay double postage to remail your corrected address.

PRESIDENT'S SAY: We live in the "Information Age" where it is possible to communicate around the world in just seconds by way of the Internet. Computers have shrunken the world as far as corresponding with people in distant places. Climbers on Mt. Everest in Nepal are able to keep followers of the climb informed on a daily basis with pictures and voice. It is an exciting time for all to learn and enjoy the internet UNTIL you suddenly see that fateful message on the computer screen which says "You Have Committed An Illegal Operation and This Program Will Shut Down", and then it does. Nothing you do will bring back the ability to use the computer. This is where I found myself just before Christmas. A trip to the computer repair shop only brought further confusion as they could not find anything wrong but it still would not work. After three weeks a new hard drive was installed and the computer was returned to me working. At least that is what I thought only to find that all data is gone, the software was gone, and my ability to change how the typed word would look like was severely limited. For you that do not have computers this all sounds like a personal problem and some do not know what I am talking about. We live in a day-an-age where computers have a major control over our daily lives and for me it has become a necessity to keep track of my collecting interests and write letters and other communications. The computer being down prevented me from writing the President's Say for last month and also prevented Mary from filing her Secretary's Report. Hopefully the worst is behind us and I hope this problem does not occur again in the near future. Thanks to Bill Snider for arranging for the accommodations in Atlanta for the Wooden Money collectors. This deal that Bill has worked out is clearly the best we have had for some time. If you are going to the convention take advantage of these guaranteed rates. I don't know if Mary and I will be able to attend the convention but we are looking into the possibility that we can. I have never been to Atlanta and would like to do some sight seeing in that area as well as attend to the convention. As the members know, this is my last year as President of IOWMC and it is my desire to be at the convention to watch new officers being sworn in.

Virginia Dennis has asked members to nominate people for office who are willing to serve. If you have someone in mind make sure that person is willing to run for the office nominated to. This saves a lot of time and expense if Virginia knows that the individual is willing be a part of the board. We need people who can donate some time, not many hours, to keeping IOWMC one of the best collectors groups in the U.S. Write to Virginia Dennis, 1852 Golden Shadow Dr., Henderson, NV 89015-8620 with your nominations. Mary has informed me that there is still a large number of members who have not paid dues for 2001. With the increased cost of publishing and mailing Bunyan Chips, we can not keep sending to those not paid up. The constitution states that dues are to be paid before March 1. The club does not want to drop any member, so PLEASE check to make sure your 2001 dues are paid.

It is that time of year when we begin to solicit donations for the annual Mail Bid and Auction. Again, as she has so many times in the past, Virginia Dennis will be the lady in charge of this worthy endeavor. Please mail your donations to her at the address in the previous paragraph. I wish to thank those who have contributed to the auction and Mail Bid in past years and hope you will again do it this year.

Till next time; *Del Cushing*

FROM THE EDITOR'S DESK

Thank you to the members who have taken the time to mail ads in for our newsletter. I hope that many more of you will take advantage of this free service. I'm still hard at work on a couple of wood related articles that I plan to place in Chips. I've more requests being mailed in hopes of finding info on some of the older issues that many of you might have in your own collections. Until March- *Rob*

## QUEBEC 2001 A NUMISMATIC ODYSSEY

### INEXPENSIVE ROOMS FOR THE 2001 QUEBEC CITY C.N.A. CONVENTION ARE AVAILABLE AT LAVAL UNIVERSITY

By Jerry Remick R-1476

Nearly 3,000 inexpensive single and double rooms are available in four modern residence buildings at Laval University, Quebec city for visitors to the 2001 Canadian Numismatic Association Convention, which will be held in upper town Quebec city July 26-29, 2001. The room rates during the summer of 2000 were \$28.76 for a single room and \$40.21 for their double room, these prices include all taxes. All prices in this article are in Canadian funds. Rooms include a wash basin, sheets, towels, soap, a telephone with free local calls and blankets for the bed. Parking is free if you ask for a parking sticker.

Several restaurants and cafeterias on Laval University Campus offer inexpensive meals. There is even a bar. These inexpensive rooms will allow collectors of limited means the opportunity of attending the 2001 C.N.A. Convention, to be held at the Centre des Congres de Quebec, which faces the side of the Quebec Provincial Parliament building, situated in the heart of Upper Town Quebec City, and within walking distance of all major sights, restaurants, bars, discotheques cafes and excursion boats.

The logo (pictured above) for the 2001 C.N.A. Convention shows the St. Louis Gate (La Porte St. Louis), one of the three gates that allow passage through the stone wall surrounding Quebec City, and a horse and buggy that tourists can rent to see part of the city. It will be pictured on the 2001 C.N.A. Convention medal and was drawn by well known artist Diane Levesque of Bic, Quebec.

The 800 and 801 buses stop every 5 minutes within a few hundred feet of the 4 residence buildings. It is only a 15 minute bus ride from Laval University to the Centre des Congres de Quebec, which is situated next to the Hilton Hotel, the official hotel for the 2001 Convention. Rooms at the Hilton are available at the special rate of \$172.00 per night plus 15% tax for visitors to the CNA Convention.

If you take the 800 or 801 bus from Laval University to the Centre des Congres, get off at the bus stop next to the side of the Quebec Provincial Parliament building and opposite the Radisson Hotel, which is on the other side of the street. It is only a few hundred feet toward Quebec City to reach the Convention site at the Centre des Congres de Quebec.

The bus stop for going back to Laval University is called STCUQ STATION PLACE QUEBEC, situated in front of building 900 and between the Hotel Radisson and the Centre des Congres. The last bus for the university leaves at 12:30 A.M. Bus fares are \$2.25 cash or you can purchase a bus ticket for \$1.50 at Laval University.

Quebec City is best seen on foot and you do not need a car. There are many restaurants with outdoor tables on Grande Allee Street, just one block from the convention site and throughout Quebec City. Menus are posted by each restaurant. You can enjoy a drink at an outdoor table during the day in the sun, watch the people pass by. There is good public parking at the multi story building at D'Youville Square at reasonable prices and very close to the convention center. If you come by train get off at Ste. Foy station. It's a 4 km taxi ride to the university.

If you come by plane, the Jean Lasage Airport is 10 KM from the university. There are airport buses and taxis. If you come by bus, the Ste. Foy bus station is about 2 KM from the university.

Three large shopping areas, situated side by side, with hundreds of stores, are situated just west of the university, being a very short walking distance. The selection of clothing is excellent.

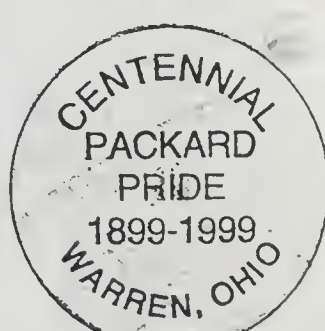

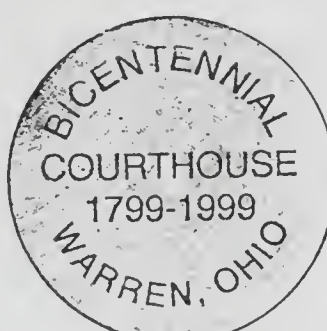

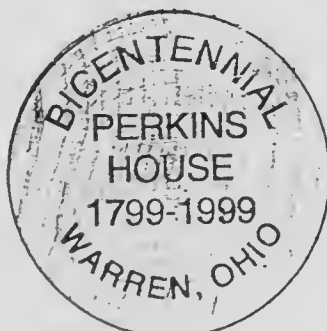

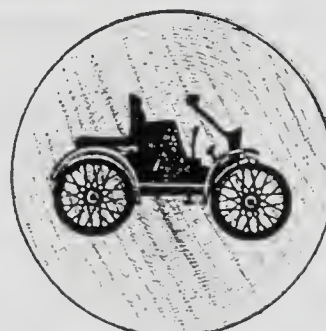

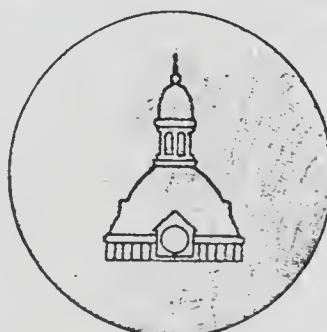

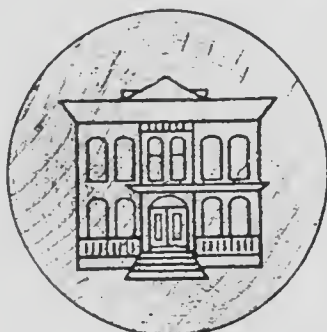

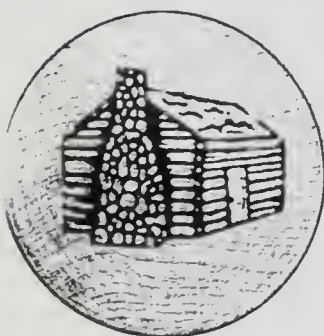

The bourse will open Friday, Saturday and Sunday July 27-29, 2001. On Sunday this year's convention will be a full day filled with activities. If as usual, the Canadian Association of Wooden Money Collectors choose Sunday morning (July 29th) for their annual breakfast meeting, the attendance should be good.

Everyone is more than welcome to attend.

BOY'S IN THE WOODS

Prior to the Bicentennial celebration held in Warren, Ohio back in 1999, a request was made through the Mayor's office that the Cousins, Inc. be authorized to sell wooden nickels as a souvenir during the celebration being held. Permission was granted to produce a five piece set. Research was conducted through the Library to establish buildings of historical background around Warren. It was also noted that Packard Car was having their Centennial during the same year. Selections were made to produce a three piece set for the Warren Bicentennial and a two piece set for the Packard Car centennial, which made the issue a five piece official set. A log cabin in black ink, the Perkins House in red ink and the Courthouse in blue ink were produced. The two piece Packard set are both in black ink. With limited funds for any real advertisement, Cousins, Inc. set up a table during the festivities and sold directly to the public. Sales were far from what they had projected because the Bicentennial was not well known. Cousins, Inc. is made up of course cousins. The Barnes brothers: David 10, Ian 8 and Alexander 6. The Harrison brothers: Ryan 10 and Luke 4. The funds from the sale of the official woods were to be split and placed into college funds for each of the young boys. Even if they didn't sell as many wood sets as they had wished to, they had a lot of fun during the Warren Bicentennial. Woods remain on hand to collectors at \$3.00 per set postpaid. Send your orders to: Cousins Inc., P. O. Box 517, Cortland, OH 44410 Submitted by: Robbin Quinn

## PRESIDENT'S SAY

The time when we meet at the convention is fast approaching again and it is now that you should be making your plans to attend. Thanks to Bill Snider, we have a place for the Woodies to gather and do some talking, swapping, buying and selling. You will find directions and the phone number as to where to call in the January issue of Bunyan's Chips. We have until July 9th to make our reservations and then any rooms not spoken for will revert back to the Red Roof Inn to accommodate other travelers. Don't Wait. I can't give the members any details on whether we will have a table at the convention nor can I tell the members where our annual meetings will be. I requested some changes a month ago and I have not heard from the organization who is supposed to be handling this function for the ANA. Information regarding club tables has not been forth coming and I do not expect anything until after the ANA Mid-Winter convention in Salt Lake City, Utah. If I do not hear from the ANA within a reasonable time, I will call to find out what is going on. Seems that the hall where the convention is being held is smaller than normal and table location areas are limited. I am saddened that at this writing there are still 60 members who have not renewed their membership for 2001. Please check the list below and if your name is there or you see someone you know on the list please send in your dues or contact the member to send them in. We do not want anyone interested in collecting wooden money to miss out on issues of Bunyan's Chips. There are several mail-bids coming for Robbin to print and they will be a feature of the newsletter each month. This is a chance to pick up woods that you can add to your collection. I know that with my interests, I have found pieces to bid on. Wish I could find people with the same areas of interest to trade with. Till next time

FROM THE EDITOR'S DESK

I would like to thank the members who have taken the time to send their ads into BC. I would ask that you take the time to respond to these ads if you can help or just want to drop them a line or two. Over the years there has been a large

decline in ads from club members. This is because they go unanswered by most of the membership. With over 200 members it is easy to think that someone will respond to the request, but more often than not, little or nothing is received. This tends to cause many of our members not to bother with sending in their free ads to BC. Please take the time to help if you can. Many a long term friendship has been started by the answering of an ad that was placed in the club newsletter. Keep the ads coming in folks! Remember that the deadline for your club dues renewal is this month. We don't want to see you have to be dropped from active membership.

## PRESIDENT'S SAY

With the convention just three and a half months away, it is time for the members to make their reservations. The IOWMC meetings will be on Thursday, August 9, 2001. The Board Meeting will be at 9:30 A.M. in room 115. The General Meeting shall follow at 10:30 A.M. in the same room. We have been given enough time to have the raffle and auction. It is hoped that this schedule will allow our members to attend meetings of other clubs. I know that in the past I have been unable to attend other club meetings as they were scheduled at the same time unfortunately. Many of our members are collectors with similar interests.

Mary and I wish to thank those individuals who were concerned with our health and well being following the earthquake in Seattle on February 28. We were very lucky not to have sustained any damage (At least not that shows!) to our home. Just a couple of photo albums fell off a shelf during the shaking. It has been 35 years (1965) since the last quake which did damage and for our part it can be another 35 years or more before the next one needs to rearrange Mother Earth in this fashion.

Apparently there are still a number of members who did not read last months bulletin regarding the paying of club dues. That is unfortunate as these people will not be receiving the Bunyan's Chips. Sorry folks but the high cost of producing and mailing we cannot keep sending the newsletter to non-paying members. Make checks payable to IOWMC and send to Mary Cushing, P. O. Box 88984, Seattle, WA. 98138-2984 Till next time *Del Cushing*

## THIS IS YOUR FINAL NOTICE

IF YOUR DUES ARE NOT RECEIVED BY THE SECRETARY PRIOR TO THE MAILING OF THE MAY NEWSLETTER, YOU WILL BE REMOVED FROM THE MAILING LIST AND YOU WILL NOT RECEIVE ANY MORE COPIES OF THE CLUB NEWSLETTER. PLEASE TAKE THIS TIME TO SEND YOUR DUES TO THE CLUB SECRETARY AND AVOID ANY DELAYS IN RECEIVING YOUR COPY OF BUNYAN'S CHIPS.

FROM THE EDITOR'S DESK

It would seem that old man winter is starting to lose ground in my neck of the woods. Things are starting to look like early spring! Was able to add a few needed woods to my collection through the many mail bids that have been in BC. I hope to locate more local issues during the summer months. Editor in need of material for your newsletter, keep the free ads and articles coming in folks. I can only do just so much on my own ya know. Until next month *Rob Quinn*

### CANADIAN WOOD SUPPLEMENT

"2000 Supplement of Canadian woods" by Norm Belsten is available at \$5.00 plus \$1.00 for postage from Norm Belsten, 86 Hamilton Drive, Newmarket, Ontario, Canada L3Y 3E8

The 23 page (8-1/2 X 11 inches) supplement lists all wood issues in Canada since the 1998 supplement to the end of June 2000, as well as any previously unknown and unlisted woods from the past.

Two new pages have been added to this supplement. One is entitled "CNA & ONA Convention Where Woods Were Issued", giving the city and year for each CNA and ONA Convention. Norm informs the reader "There are a total of 463 issues in these two areas". The second page is entitled "Wood Location Helper", giving catalog numbers for hard to locate or identify woods. There is a four page town index as well.

Woods are listed by the province in which the issuer resides, with a separate page for each province and territory. Spruce dollars issued by the Prince George Chamber of Commerce of Prince George, B.C. are listed separately. There is also a separate page for miscellaneous woods. Each listing gives the following information for the collector: catalog number, location, description, year issued, number of woods printed, obverse color, reverse color, rarity rating, shape and size.

Canadian woods issued to date (large figure given below) and the new issues of woods made since the 1998 supplement (smaller figure given below) are as follows for each province and territory: Alberta (12 and 727), British Columbia (10 and 437), Manitoba (10 and 159), New Brunswick (23 and 770), Newfoundland and Labrador (42 and 57). In addition to these type of listings there are lists for the Spruce Dollars (2 and 156) and misc. woods (1 and 53).

The total of new woods issued is 254 and the total number of woods issued in Canada through June 2000 is 6533.

Write Norm for the cost of previous listings of Canadian woods. There are also listings available from Norm for speciality collectors. For example he has listings for the ONA, CNA, municipality and by a certain collector. These listings are available at reasonable rates, depending on the length of the subject and the printout requested.

## PRESIDENT'S SAY

I don't have much to say this month as I have been busy with another project and haven't had the time to devote to IOWMC and other matters. I do want the membership to consider Virginia's request for material for the August auction and mail-bid at Atlanta. This does help our organization to keep the membership dues in line and affordable.

Mary and I will be in Atlanta if an airline is going that way. With so many saying there is a possible strike it is hard to say which will strike and which will keep flying. Plan on flying in a couple of days early to do some site seeing before the convention. I have Stone Mountain commemorative coins but have never seen the monument. Hope to do that and see some other historical places around there. Those members who live in that area who have suggestions on what to see, I would appreciate a letter. I know the Chamber of Commerce would be helpful but I would rather see what the citizens of an area think is worth seeing outside the tourist traps. Remember to make your reservations at the Red Roof Inn that Bill Snider arranged for. That way we can get together for some swapping, buying and selling with each other in our rooms. Till next time. *Del Cushing*

## RED ROOF INN

Reservations will be held until July 9, 2001 at this time. We have 10 rooms that have been guaranteed as of Jan. More will be available if they are needed prior to July 9th. Phone # (770) 952-6966 Fax# (770) 952-1348 or you can call their corporate office at 1-800-733-7663

Room rates are 1 person w/ king bed at \$41.99 per night, 2 people w/ king bed at \$41.99 per night or 2 beds at \$47.99 per night, 3 people w/ two beds at \$51.99 per night and 4 people with 2 beds at \$57.99 per night.

Bill Snider noted in his January report that the highway department was changing the exit numbers. These changes (if any) will be noted in the June or July newsletter.

The Red Roof Inn is located in Smyrna and is about one and a half miles from the Convention Center.

BUREAU OF LOST WOODS #4

Boy!!! The Greenacres family of woods sure bombed out. Not one person came up with any information as to where they were from. I hope that isn't going to happen to me. I'm from Pleasantville, which sure is a nice name for a town, but from what state? There are six states listed in the Post Office Zip Code Directory that lay claim to a Pleasantville, but which one is my state? Since I was issued for a towns Sesquicentennial I am apparently an official wood. If anyone has any information as to where I am from please let Bob Brown know at P O Box 124, Highspire, PA 17034 or call him at (717) 944-9586 so that I can rejoin my peers.

Larry White has a display for the Atlanta, GA ANA meeting that needs woods that have been issued by members for this year. Send yours to have added to the display (this is being auctioned off and funds go to LOWMC). Send your wood issue to: Larry White P O Box 85, Liberty Center, OH 43532-0085 Thank You!

**FROM THE EDITOR'S DESK**

Word from the President of the Barnesville Pumpkin festival has informed me that there will be no more wood issues beyond 1998 (35th anniv.). It is a sad day in deed when a festival

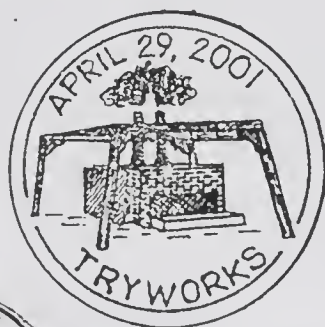

or coin club with so much history in wood issues comes to an end. Two factors are funds and the public loses interest. There are ways around both of these issues, but I guess a collector will always put up a fight! Thank you to the members who took the time to mail in material for our newsletter. Keep them coming folks. President's wood issue placed in the raffle envelope with this issue. If you receive a broken wood, drop me a line to receive another wood. Until next month *Rob Quinn*

Abraham Lincoln (obverse)

Abraham Lincoln never visited Hawaii, but his life-size statue stands tall at the Ewa Elementary School. The bronze sculpture is the work of Avant Tennyson Fairbanks. It was presented to the school as a gift on February 12, 1944 by Katherine McIntos Burke, who was Principal of Ewa Elementary School during 1919-1927.

Lincoln was known as the Great Emancipator. The sixteenth president of the United States was a courageous leader of the Union during the Civil War and kept the country as "one nation". Lincoln also proclaimed the first Thanksgiving Day as a holiday.

On the reverse is a pictorial flower called the Oleander, a trumpet-shaped flower with long, thin, green foliage, yellow shining flower, and a delighted fragrance that blooms all-year around.

Pictured above is # 7 of the Statues & Memorials offered by the Honolulu Coin Club. This issue is printed in brown ink on both sides. The information card on Abraham Lincoln is part of the wood issue and will require a special envelope. Cost for the issue is \$1.00 postpaid. Send your orders to: Honolulu Coin Club, P O Box 6063, Honolulu, HI 96818

## 100 Years for the Palace Bar and Hotel St. Michael

The 2001 wooden dollar that announces the Prescott, Arizona, Coin Club's 27th annual coin, stamp and collectibles show on June 8-10, 2001, commemorates the 100th anniversary of the construction of the Palace Bar and the Hotel St. Michael. The obverse, printed in black, provides information about the show, and the reverse, printed in brown ink, depicts the two buildings as they looked in the early 1900's shortly after construction.

On July 14, 1900, the historic Whiskey Row Fire destroyed most of downtown Prescott, including the original Palace Bar and Hotel St. Michael (or Hotel Burke as it was originally called, not being renamed Hotel St. Michael until 1907). After the fire, the mostly wooden buildings of the town were rebuilt in brick and stone; and these two structures were no exception. Both were completed in 1901, are still in use today, and are so identified with the history and personality of Prescott that are both being honored on this year's wooden dollar.

The rebuilt Palace Bar, which cost an estimated \$50,000, is a fine example of Neo-Classical Revival architecture. It is the central focus of Prescott's renowned Whiskey Row and graciously complements the Yavapai County Courthouse which it faces. It is a two-story masonry structure 75 feet wide and 125 feet deep. Construction materials included native gray granite, iron and pressed ornamental bricks. The second floor was originally divided into suites or rooms and sleeping apartments; the lower floor was devoted to a restaurant, saloon and hotel services. The central pediment of the front facade features motifs associated with the Territory of Arizona, and many original interior details are intact, including the carved mahogany bar, which is probably the oldest in Prescott.

The rebuilt Hotel St. Michael, designed by D. W. Millard & Son, a prominent territorial design firm from Phoenix, is an interesting example of Second Renaissance Revival architecture. It is a three-story masonry structure with a full basement, measuring 100 feet wide and 150 feet deep. Stone was used in the construction of the basement and fired brick on the upper stories. On the north facade the masonry simulates rusticated stonework on the first floor area. All second and third story facade areas are treated as a single surface, and there is no horizontal demarcation between the floors. The main feature of these areas are regularly spaced two-story recesses with semi-circular tops. These "bays" frame two pairs of windows: rectangular on the second-story level and round topped on the third floor. The deeply overhanging cornice is bracketed.

This architectural information and the picture of the buildings for the wooden dollar were provided courtesy of Prescott's Sharlot Hall Museum. These wooden dollars can be obtained for 25 cents each plus an SASE (55 cents for 3 or 4 woods) from Sandra Wolf, P. O. Box 233, Dewey, AZ. 86327

**\$3.00 Wooden Token Issued for 2001**

In May, the Prince George Chamber of Commerce of Prince George, British Columbia, Canada issued a 2001 dated \$3.00 municipal trade token. These are printed on white spruce, 2 and 3/4" in diameter and are 1/4" thick. For many years these have been the largest wooden trade tokens issued in Canada. Locally, the wooden tokens sell for \$3.00. Most are not redeemed for merchandise, but kept as souvenirs by tourists and collectors. The obverse side is printed in red ink (commemorates the 90th Anniv.) The reverse side, printed in black ink (shows a map of British Columbia). This is the 153rd issue of the large spruce municipal trade tokens issued by the Prince George Chamber of Commerce. Their first token was issued in 1958 and sold locally for \$1.00 and more recently at \$2.00. The first \$3.00 trade token sold back in 1999. Available postpaid for \$5.45 for Canadians and \$3.87 U.S. for United States collectors. Louise Lissoway, 770 Brunswick St., Prince George, B.C., Canada V2I 2C2

FROM THE EDITOR'S DESK

I would like to thank the many members who took the time to send material in for Bunyan's Chips. Alas, I've not enough room in this months newsletter to pass

so much onto our fellow members. If you don't see your material in this months issue, you can bet it will be in next months issue. Don't forget to send in your raffle tickets, donations for a door prize and to return your vote for the clubs new officers to Virginia. *Rob Quinn*

INDIANA-THE NINETEENTH STATE WOOD ISSUE

Indiana has been released to collectors of the Lone Star Statehood wood issues by Barry Healey. Some collectors have also obtained the first shipments of the Lone Star Wooden Eagle dollar woods being issued by Barry.

Production records show that the first issue (Delaware) holds the highest issue at 192 pieces, followed by 120 issued for Pennsylvania and then it's Louisiana with 117 to date.

The above wood is for sale at \$1.00 each, 3 for \$2.50, 9 for \$7.00 and 12 for \$9.00. Send your order to Barry Healey, 1129 Hillcrest St., #204 Mesquite, TX 75149. Mr. Healey sends orders postpaid and with a copy of his newsletter.

## WOODEN BOAT FESTIVAL

Port Townsend, Washington, one of only three Victorian seaports on the National Historic Register, embodies the Pacific Northwest's Maritime spirit. Located two hours from Seattle by automobile or bus, boat builders and marine trade

artisans live and work in this corner of the Olympic Peninsula. Building, restoring, sailing and continuing a heritage whose most direct link with the past may well be the wooden boat.

The original, premier, and formost Wooden Boat Festival, held there for the past twenty-four years during every September, is a gathering of skills, beautiful wooden boats and learning, but most of all, it is a gathering of people.

Annually the biggest event in Port Townsend, attracting over 25,000 people. The festival is the main fundraiser for the Wooden Boat Foundation's educational programs. The Wooden Boat Foundation, provides resources that offer students with the opportunity to experience a "living waterfront", an enviroment which extends from the ocean's floor, to the vessels that ply the waters, to the men and women who make their living there. Such subjects covered are Maritime History & Culture, Seamanship, Marine Trades, Nautical Science and Marine Science. During the festivals, fine wooden yachts, old & new, large and small, will grace the waters of Point Hudson Marina in Prot Townsend. Races during the Wooden Boat Festival bring out the best of traditional and new wooden yachts from the Pacific Northwest and points beyond. During the festival, visitors will find demonstrations that cover numerous aspects of wooden boats, boat building, and maritime topics. From 1976 until 1999, wooden nickels were printed for most of the festivals. These woods were handed out upon paying a fee to the festival grounds at each years event. Some have a small hole in them for key chains. Issues have not been printed beyond 1999. Submitted by Rob Quinn

FIRST YEAR ISSUE

Most collectors know the first issues of wood in the USA, especially the oblong (flat) ones, as they are most often mentioned in many of the past wooden money articles, and they are really tough to come by, so for the interest of our current club members, here is a listing of the first round wooden money issues. This material was printed in an issue of Bunyan's Chips in the mid 70's by Tom Hudson C-13.

## PRESIDENT'S SAY

For the last four years I have been president of IOWMC and with new elections come new officers at the top. I have enjoyed my tenure and look forward to new leadership from Robert Fritsch or who ever is chosen. As my term comes to a close there is a group of individuals that deserves recognition by me (and you) for their dedication to the organization. Ladies first guys, so Virginia Dennis gets first KUDO'S for all the work she has done these past years in running the annual auction and mail bid. Whenever I have asked her to again accept this responsibility she has stepped forward and performed with enthusiasm. Thank You Virginia for a job well done. And to Wayne Dennis who has been her right hand during this time and for all the other work that Wayne has been doing on the new listing for each state. To Al Nystrom, Ted Wolverton, Floyd Thomas and others who have manned the club table at the conventions and solicited new members. Ted Wolverton has consistently been in the fore front of recruiting new members to IOWMC. I would like to thank Jerry Remick for his consistent contribution to Bunyan's Chips with his reporting on Canadian wooden money and other related information. That type of reporting is important for collectors to keep abreast of what is available and where to order the items. Let us not forget Clint List handling the clubs mail bids thru the years. I could not finish this column without expressing my gratitude to the person who makes not only this message available to the membership but all the other information in a clear format which we recognize as BUNYAN'S CHIPS.

Robbin Quinn, the editor, took on a job which only promised long hours preparing the newsletter and no pay as a volunteer. He has informed and enlightened us with articles on Fairs and Festivals, even while trying to prepare the newsletter for publication and distribution. I sincerely hope the members appreciate what it takes to prepare a six or eight page newsletter like Bunyan's Chips 11 times a year. I was editor for such a publication on a quarterly basis and can readily understand the magnitude of the task. Robbin and I have conversed by phone and by letter frequently in the last 4 years and developed a friendship which I hope continues to flourish. Thank You to all members who have written with their comments and regards. If I am elected as the new Secretary, I would still like to hear from the members and i promise to write back. I hope to see you all in Atlanta, GA. Again, thank you all for these past 4 years. *Del Cushing*

## JUST A FRIENDLY REMINDER TO OUR MEMBERS

This will be the last issue of Bunyan's Chips until our September issue is published. The August issue is not published so that the editor can attend the ANA meetings each year. I will not be attending this years ANA due to prior plans to spend time with my wife for our 25th anniversary. The September and October issues will have coverage on the ANA meetings and election of new officers. As always, I thank you for your support as your club editor. *Robbin Quinn*

## A DAIRY QUEEN UPDATE

### BY BOB BROWN

Below are four Dairy Queen wooden tokens that are not shown in my book "A PICTURE GUIDE BOOK OF THE DAIRY QUEEN WOODEN TOKENS". The first two were simply omitted from my book when I had it printed. I'm showing both sides here to illustrate how small the asterick is on the #1 obverse. The Folkston, GA token is shown in my book but with a #2 obverse. The Ronan, MT token was sent in by Travis Clairmont who owns a Dairy Queen in Ronan, MT. The token from Greenville, PA. was sent in by Russ Daisley who lives in Greenville, PA. Russ just had an article in the June issue of the "Wood Traders News" on the Greenville Dairy Queen token. All of the tokens are red and will be included should I ever get around to putting out a second edition of my book or a supplement. I would appreciate getting tokens or copies of tokens that I can include in my book. Please make sure to include copies of both sides of the token and indicate the color, especially if it is other than red. Make sure the copies are as clear as you can get them. Send any tokens, copies or information to Bob Brown, P. O. Box 124, Highspire, PA 17034 Thank You!

### OFFICE FOR PRESIDENT

#### ROBERT FRITSCH

Bob is always a willing person to do his part to help our hobby grow. A member of over 30 numismatic organizations—served as an Officer or a Board member of twelve of them. Currently Treasurer of the Nashua Coin Club, President of NHNA, Director for NH of NENA, Board member of the Boston Numismatic Society and the Token and Medals Society. Also is a Life Member of eight of these organizations, including ANA and IOWMC. Bob is a regular in ANA Numismatic Theatre and partakes yearly in one forum or other.

Bob is a collector and numismatic organizer from New Hampshire. His collection of NH exnumia includes one of the most complete wooden nickel collections in the state. He has produced several woods of his own, as well for various organizations. One of the highlites of his hobby, was when he was chosen to work on the NH Governor's Commemorative Coin Committee, which selected the design for the NH edition of the 50 States Quarter Program.

IOWMC is an important club to Bob. He sees his role as running for President in IOWMC as one of involvement and knowledge. Many wonderful wood collections are owned by our members and their stories should be told through Bunyan's Chips. He would like to see more catalogues produced through IOWMC members and will do his best to see it happens. Bob will appreciate your vote for the position of President of IOWMC. Hopes to see you in August at the annual IOWMC Meeting.

### OFFICE OF 1ST-VICE PRESIDENT

#### VIRGINIA H. DENNIS

I agreed to run for this position, as I had on many other occasions, to help promote the hobby of our organization. I have held positions as an Officer or was a Board Member of many of the organizations I was involved in over the years—President, Secretary, Treasurer, and Board Member. I have been active in IOWMC and held position of your Chairperson for the Annual Raffle/Benefit Drawing for many years. I will continue to do my upmost for IOWMC, and would appreciate your vote for my candidacy of 1st Vice-President.

\*\*\*\*\*

### OFFICE OF 2ND-VICE PRESIDENT

#### CHARLES (BILL) SNIDER

I have been a collector on and off for 30 years. I have been a member of IOWMC since 1970, the first time. I dropped out and rejoined in 1989. I have served on the Board of Directors and have been elected to the position of Vice-President. I have a good knowledge of wooden money and feel an obligation to educate other members of any knowledge concerning any aspect of wood collecting. I would like your vote for me in this upcoming election of officers for 2001-2003.

## OFFICE FOR SECRETARY

### DELMAR (DEL) CUSHING

I was Secretary for University Coin Club for four years. I have, on an interim basis, acted as Recording Secretary for the Boeing Employees' Coin Club. My past experience as President of IOWMC should be an asset in this responsible position. I will continue to support IOWMC in any position and will do my best to promote our hobby of wooden money and try to get members more involved for the betterment of our organization. Your vote for me for this office will be appreciated.

\*\*\*\*\*

### M. WAYNE DENNIS

When the organization was formed in 1964, I was Charter Member #145. In 1977 I was given an Honorary Life Membership. I have served in all Officers positions in IOWMC (except Secretary) and served on the Board of Directors. I was co-author with late Tom Hudson on the Guide Book of Wooden Money, Seventh Edition and then authored the Eight Edition by myself. It was a pleasure to be nominated for Treasurer again and if elected will serve to the best of my ability; and continue to promote our hobby.

\*\*\*\*\*

## OFFICE FOR A BOARD OF GOVERNOR

### ROBERT BROWN

I was born in Lancaster, PA (01-26-29). Started collecting wooden money in 1986. I was a member in many wooden money clubs. ### **STORAGE TIP FOR COLLECTORS BY RUSS DAISLEY**

Everyone knows Walmart, but K Mart is still there and so is the new come along-Target. Each of these stores handles a lot of plastic storage items and several may find their way holding collections of our members. I am no exception, and I want to pass on how I have put my woods (coins also) into storage trays which gives the collector a great opportunity to organize, study and store their collection. I purchased three drawer, thick white plastic kitchen aid cabinets in Walmart. I have also purchased some in K Mart and Target, so they are readily available. If you take a drawer from a cabinet and measure it into equal sections, you will find four rows of 2 X 2's fit nicely in the drawer; 12 rows to each cabinet. The collector can purchase additional cabinets, which stack onto each other. I take 1/4" thick, by 1 X 1 1/2" wide wood strips (easily found in Birch at Home Depot or Lowe's) and place the strips in the drawers as separators for the rows of 2 x 2's. I use small screws or fine flat head nails to secure the wooden strips. If you were to take four of the long 2 x 2 mylar boxes and place them side by side, they will fit nicely into one of the drawers, eliminating the need to put separators in the drawers. Each cabinet accommodates 500 plus woods in 2 x 2's.

The following woods are available from Ken Paulsen, P. O. Box 142327, Overland, MO 63114-0327 All issues are 50c each and Ken asks that you add sufficient postage for your order.

## WELCOME ABOARD

It is a pleasure to be elected your President and I thank all who supported me. I will give the duties of office my best effort in the next two years. The IOWMC Board is full of good staunch supporters of IOWMC, and I look forward to working with them. The club was in good shape when I took over from Del Cushing and it will be in good shape when I hand it over to my successor. We all owe a debt of gratitude to Del for doing such a wonderful job over the past four years. THANK YOU DEL!

I am becoming familiar with the duties of the office thanks to Del's help, but it will take some time to get up to speed. Please bear with me while I establish my correspondence and committee assignments.

Speaking of correspondence, my mailing address is P O Box 3003, Nashua, NH 03061-3003 and my email address is bobfritsch@earthlink.net. Please feel free to write at any time. My work as a Navy Technical Representative keeps me on the road about 50% of the time with lots of sea duty where I'm effectively cut off from the rest of the world. So if you do not receive an immediate answer that is probably the reason. Please be patient. I will answer every email and letter received. While our activities may seem frivolous in the face of this month's events, I am determined to do business as usual. The purpose of TERRORISM is to stop you and me and our friends from doing what we do. I am determined not to let that happen. The events of 11 September affected us all, but doing what we do best can help every one of us recover and regain our equilibrium. Until next month- *Bob Fritsch*

PRESIDENT'S SAY

It is the end of September and nature is putting on her Autumn coat here in New England. The leaves are beautiful in their many colors and it is a favorite season for many. All of my clubs that took a vacation for the summer are now back in business. and it is time to show off all of those treasures you found during the summer. I know I have quite a few, but one of the biggest is getting to run this club.

One of the most important things for club leadership to do is to keep a close eye on the Treasury. Many clubs get into trouble because they do not watch the finances and allow the balances to dip below the point where the club stays healthy. Unfortunately a club can't live on dues alone and depends a lot on other forms of income. We are fortunate in IOWMC because we have good people who run good programs that bring in the necessary funds. We are healthy financially, but it never hurts to add a bit to the coffers. I personally donated \$100.00 to IOWMC this year in the hope of attracting additional donations. I do not ask nor expect you to put in large sums, but a small donation when you can afford it will help ensure that IOWMC will continue to prosper in the future.

As always, the editor can use articles for BC. You do not have to be an accomplished author to do it either. All you have to do is tell us something about your piece of the hobby, neat things you have gotten, or new woods that you have located. It is easy and you get to see your name in print.

That's it for this issue. See you next month. Happy collecting! *Bob Fritsch*

Bill Snider was in charge of having members draw the winning tickets for the door prizes- a total of 53 I hope I have not overlooked anyone who assisted in

the auction or door prize drawing, if I have, please accept my apology, as it is certainly just an oversight

On behalf of myself, the IOWMC Officers and Boars Members, THANK YOU ALL for your continuous support to our great organization.

All door prizes, except for the free membership dues, were mailed in Brea, KY on Monday following our meeting on Thursday have received thank you notes from a few members. Also several members refunded the postage of their door prize winnings.

Wayne made the decision to return home a few weeks early due to me becoming ill. Two days out, Wayne became ill as well and we were both under a doctor's care for several weeks. Reason for our late reports was due to our illness. We are both progressing well and thanks to the members who sent good well wishes THANK YOU ALL.

CHIPS FROM THE PRESIDENT

As we prepare to swing into the holidays, I wish each and every one of you the best of the season. This year especially is the time to see loved ones and marvel at how our wonderful country is taking the recent tragic events in stride. My brother, and I are preparing for a trip to Germany to do a bit of shopping, partake of the local cuisine and just enjoy each other's company as we do not see that much of each other. Don't know if we'll run into any woods, but will be on the lookout.

In the mailbag, member Linda Fleming asked if we could publish a listing of people who make woods. Since it is of widespread interest to our members, here is that list Linda:

--Old Time Wooden Nickel Company; PO Box 18362, San Antonio, TX 78218-0362
phone # 800/750-9915, or 877/464-2535 fax is 210/832-8965

-- Norm Belston; 86 Hamilton Drive, Newmarket, Ontario, Canada L3Y 3E8
Phone # 905/868-9187

John Lawrence; 25 North Wayne Ave, West Haverstraw, NY 10993 Telephone is 845/429-2808
Bayou Products Company; PO Box 1117, Thibodaux, LA 70302 Phone # is 985/447-8472

IOWMC does not officially endorse any of these wood printers, but our members have done good business with them in the past.

Enjoy your holidays and keep collecting! *Bob Fritsch*

Last month, the Christmas wood offers from the wood printers were offered through Bunyan's Chips. Send a SAS #10 envelope and I'll mail you the listing that was put together by Jerry Remick.

If you know of a wood being issued in your area, send a clean copy of the issue along with ordering information to the editor to make the next newsletter issue.

As in the past, I would like to say thank you to all the members who have sent in material for Bunyan's Chips. The more you put into it, the more we all will get out of it! This is your newsletter and you have a right to get the most you can out of it monthly.

Remember that ads about the sale or trade of woods is free to paid up members of IOWMC. Take advantage of this and watch your collection grow. Send your small ads to the editor!

HAPPY HOLIDAY SEASON!**

MEMBERSHIP INCENTIVE WOODEN NICKEL PROGRAM

In 1992, a membership incentive program was offered. Under this program, a member was awarded a wooden nickel for each new or past member they signed up. If you reached a total of 5 during the year then you were awarded a complete set of woods. At the end of 1992, all remaining woods were destroyed. During that first award offer, only seven members were able to bring in five new members each. Then in 1995, the same program was offered, but this incentive offer had no time limit placed on it. This program is still very much alive and well. To date there are now fourteen who have been awarded the complete set. Shown below is the incentive wood program set. All woods are in red ink and the obverse has the club logo on it. One wood is awarded for each member you sign up in IOWMC. Once records show that you have signed up five members, the complete set is then mailed to you and notice is placed in Bunyan's Chips. Part of the incentive is in the dating of the wood issues. In order to have a complete set all with the same date stamped on them, you must sign up five during any one given year. If it takes you two or more years to reach five new members, then your set will reflect two or more year dates on the set of five woods. This program is in effect for 2002 and I challenge all of you without a complete set of woods to try and obtain one during next year. Editor

FROM THE EDITOR'S DESK

I would like to thank the many members who have provided information for Bunyan's Chips during the year. It is due to the effort of many that I'm able to publish a monthly newsletter that keeps the collector informed and active in the hobby. I hope that many of you will take advantage of the membership wood incentive program and sign up new members during the 2002 club year! I have purchased another computer system and plan to publish our newsletter from this during next years issues. I feel that I'll be able to provide you with a more error free and bolder newsletter. Remember to mail your dues into the secretary as soon as possible to avoid delays in your mailings. Thanks again for a great year with IOWMC and I'm looking forward to many years as your editor.

APOLOGY DUE

I received a letter from Pat Whalen today stating he never received the two door prizes he had won at our 8-9-01 Raffle/Drawing in Atlanta, GA. All door prizes were mailed 8-13-01 in Richmond, Ky. I cannot say why they were never delivered to his home. As Chairperson, I must do the correct thing and come up to a suitable agreement between Pat Whalen and myself. This will be my solution I will propose to him. I will pay one year free dues or I can send him the check for \$7.50. This must be his decision. In all the years that I have conducted this drawing, this is my first time for the post office failing to deliver any of the door prize packages that I mailed. Once again, I am sorry this happened.
